PHOTOGRAPHY PACKAGES 2022

Family sessions work well when we're outside in the park, in a relaxed environment where there's lots of things to see and do and I can capture the magic as it happens. It's much less daunting and stressful for little ones than being in a studio where they have to stand and pose and are made to say 'cheese!'. I will take time to get to know your children, get down on their level and we can get some wonderful natural shots of them (and you) at a beautiful outdoor location.
